

# This year's NWPC Keynote Speaker

## Dr. Paul Radde on Preventing Burnout Among Pharmacy Professionals

Recognized as an original thinker, thought leader, author and psychologist, Dr. Paul Radde is THE expert on how to Thrive – what he calls Thrival. This state of being is the highest approach to living (really living) your life. The goal is to go beyond survival to actually thrive in the workplace and in daily life. Thrival is the richest sustainable experience of your life.

## Presenting at Northwest Pharmacy Convention 2018

### Clinical Applications of Pharmacogenomics in a Psychiatric Setting

Ian McGrane, Pharm.D., BCPS, BCPP

Dr. McGrane graduated with a doctor of pharmacy degree from the University of Montana in 2011. He is an assistant professor at the University of Montana with a clinical practice site at Providence St. Patrick Hospital in Missoula. His current research interests include clozapine utilization in children, therapeutic drug monitoring and drug-drug interactions.
