

HIPAA for the Small Provider

The U.S. Department of Health and Human Services, Office for Civil Rights, is proud to present free HIPAA training for the small provider.

This free HIPAA training will cover the Privacy, Security, and Breach Notification Rules, including topics such as:

- Rights of individuals, including the right of access
- Administrative responsibilities of covered entities
- Safeguards
- Minimum necessary, role-based access
- Business associate agreements
- Relevant OCR guidance
- Risk analysis / risk management
- Enforcement update
