

Showcase your company's products and services to Pharmacists and Pharmacy Technicians

The Montana Pharmacy Association is pleased to offer you a **premier opportunity to showcase your company's products/services to pharmacists and pharmacy technicians** at our upcoming Winter CE + Ski meeting at Big Sky Resort January 11-13, 2019.

Our trade show gives industry suppliers great exposure beginning with the opening reception on Friday evening from 4:30-6:00 – a relaxed time for suppliers and pharmacists to mingle and visit about the very latest, as well as existing, products you have to offer. In addition, we have a **roving microphone during the Saturday morning breakfast and all of our exhibitors / sponsors have 2 – 3 minutes to address the attendees**. Other meals and breaks are held in the vendor area giving you face-to-face time with the attendees.

We have an exciting lineup of topics that will be of interest to all pharmacy practices. **The agenda is attached for your review**. Set up for the vendor fair is Friday, January 11, from 3:00 – 4:00 and tear down is after lunch Saturday noon. Although the show ends Saturday by noon you are welcome to **join us for the Saturday evening sports viewing, pizza party if you are at the resort**. This is a new event of the past couple of years and is wildly popular. Please note the vendor breakfast on Saturday morning.

There are a **variety of ways you can give visibility to your company during the conference and after the conference**. Please review the attached sponsor form to consider the options with fees and benefits. You can register using the attached form if paying by check or [click here to register online and pay by credit card](#).
