

Heartland

The Montana Pharmacy Association endorses Heartland Payment Systems (HPS) to provide

- Credit card processing
- Payroll processing
- Gift Cards
- Check Verification

All at discounted prices for MPA members.

Credit Card Processing

As one of the nation's leading independently owned payment processors, Heartland handles all elements of both credit and debit card transaction processing offering a host of services that make one-stop payment processing a reality.

- Full disclosure, discounted pricing strategies
- Simplified paperwork for quick approval
- Easy-to-read processing statements
- Help Desk available 24-hours per day, 365 days a year
- Local servicing managers
- No set-up fees, annual fees, or surcharging

Payroll Processing

For many companies, processing payrolls is a burden involving managing the paperwork, keeping up with state and federal filings and the myriad other details involved. Heartland Payroll Services assumes all liability and can relieve you of many of these tasks while maintaining or improving upon your current processing method.

Here's a brief list of the services we offer:

- New Hire Reporting & Forms
- Calculation of payroll checks
- Reports
- Electronic Federal Tax Payment System (EFTPS)
- Tax returns and filing

For more information about all of these options go the [Products page of the Heartland website.](#)

And, most importantly, you have access to a Heartland relationship manager in your community. A Heartland representative will review your current credit card and payroll situation and offer you solutions that will make your business more profitable.
